From David... As we approach Easter we are reminded of the sacrifice that Jesus made, not just for those who go to church, but for everyone. It is a truly amazing story. God loves us so much that, even now, we can get to know him, the Creator of the Universe, for ourselves. Jesus died so that through faith in him we could be forgiven. I know there are people who don't believe in God or can't imagine what they would need to be forgiven for. The thing is, even the best of us do and say things we regret: things that hurt others or ourselves. I often hear people say, "He/she is a good person." Some even say it of themselves, but it's not really true. You may be a great person but the bible says that all fall short of the standard set by God and we need to be forgiven. The death and resurrection of Jesus is what makes that forgiveness and new relationship with God possible. It really is great news.

So, if it's such good news we need to let people know. Those of us who are trying to follow Jesus need to find ways to live out our faith and not be afraid to tell people what we believe. Traditionally that was when 'going to church' was important, but nowadays fewer and fewer people have any connection with church. Some may have been for a baptism, wedding or funeral but most won't even have done that.

MPN Bible Study Group

The group has 11 members who represent 4 different Churches. We meet at 10.15am every Wednesday morning in the Session House, starting off with Tea/Coffee/Biscuits and catch up on what has been happening over the past week. We then commence our bible study at 10.30am until 12.00 noon.

Everyone has a copy of a study book and we are currently studying Romans. The fact that everyone has a study book means that individuals can prepare for the bible study in the comfort of their own home and then we discuss the questions as a group.

Everyone gives £1 each week and this money is donated about twice a year to Malawi (70% of the total) and the rest (30%) is donated to MPN.

The Bible Study Group is a great way to develop your faith, knowledge and understanding of God's word as well as building strong personal relationships within the group.

We would love to welcome more members, if you would like to know more then please speak to me, either face to face or phone **07754 32756** or email lesleykeenan@tkinternet.com

God bless.

Home-groups

Meeting informally in someone's home is a wonderful opportunity to enjoy fellowship, while developing your faith through bible study and prayer. If you would like more information, please contact the church office on: **01292 678810 / office@mpnchurch.org.uk**

Our congregation is on the Path of Renewal process, supported by the central committees of the church. We're trying to do things differently, to engage with people who have no idea what happens in our buildings on a Sunday morning. Don't get me wrong, those who go quite like it the way it is – it's comfortable and we feel secure. The thing is it's not only for us, it's supposed to be a place where anyone and everyone feels welcome, and that they belong. It's supposed to be a place where we meet God and develop deep relationships with each other.

I don't really know what the church will look like in the future, however, it will probably not be much like it is today. It's not about the building, it's about the people. As we grow in faith, determined to share the good news of Jesus with passion and enthusiasm; living lives of love and forgiveness; experiencing grace and showing mercy, the church will change – because we have changed.

Why not try church for yourself one Sunday? You might be surprised. For the moment it's still 11am on Sunday mornings, but who knows where or when it will be in the future. Have a great Easter.

David

During the week leading up to Easter Sunday (9th-16th April) we have a 24/7 prayer room in the church. There are different resources to help you pray whether you are starting out with prayer or have lots of experience. It's great to do on our own or with friends. You can sign up for one hour, or up to four hours at a time. To sign up there will be someone in the large hall after morning services, or use the link below:

Path of Renewal:

Who is who in the Path of Renewal?

Each person has been asked to write a little bit about themselves and their journey of faith. In this issue of the Grapevine we hear from the first three members.

*Hi, I would like to introduce myself. My name is **Jacqui**. I wasn't brought up in church and it never entered my mind to go. I started volunteer work in Monkton Pioneer Café, unaware it belonged to MPN church. It never crossed my mind why the volunteers would cheerily sing to gospel songs playing in the background. I enjoyed my two years there, met a lot of lovely people and made good friends.*

When I realised the café belonged to the church, and I liked what I saw within the volunteers, I decided I wanted to be like that. However, I still wasn't ready to go to church until one night I was asked to help at a wedding reception in the church hall. I was convinced while there, that I was asked to help with teas after the morning service the next day. When I went along to church though, I discovered I hadn't been asked at all! I now believe that it was God speaking to me.

I have now been attending church regularly for one and a half years. I attended an Alpha course, which is a great opportunity for people who want to find out and ask questions about God, life and Christianity. It was there that I started to fully understand it all. I thoroughly enjoyed the course and it was the perfect way to learn about Jesus.

I help in different ways within the church and attend Bible Study weekly.

I now have the joy of Jesus in my heart and my life has been transformed.

Thank you from ...

I would like to say a big thank you for the beautiful flowers, delivered by Eleanor, from the church. This was very uplifting while I was recuperating from my heart attack which I had on 1st. January and also many thanks to the prayer group for their continued prayers.

I have since been told the good news that I do not require any further treatment and am now feeling much better. Also, thank you so much to Young Church for the lovely flowers delivered by Sarah, they were beautiful and cheered me up very much. I would like to thank my friends in the Wednesday knitting group too for sending me a lovely card and flowers which were delivered by Scott.

It was a lovely surprise and very much appreciated. Thank you all very much for your thoughts and prayers.

Norma Quinn.

Emily & Sandy would like to thank David and the church family for their card and good wishes on their Golden Wedding. God Bless x

Eleanor would like to thank everyone for their prayers and good wishes during her recent illness.

Celebration Box

Congratulations to:

Emily & Sandy on their Golden Wedding Anniversary.

Ian Smith on his 65th Birthday.

Sandi Munro on her appointment as Minister's Secretary.

Young Church News

WOW! I can't believe we are half way through the session already. The children have been very busy learning 'The Lord's Prayer' and looking in depth at perseverance, humility and forgiveness in prayer, followed by a detailed look at Jesus as the King, how he was trusted, betrayed and rejected.

The year ended with our 'Pop Up Nativity' and what a great display that was. The children worked hard to practise their lines and delivered yet another great nativity with a little help from the rest of our church family.

We managed to raise £275.47 for the Bible Society which will go a long way to providing the word of our beloved Lord to those who are less fortunate than ourselves.

Thank you for your continued support with the youngsters.

SAVE THE DATE: 24th June 2017

We are looking forward to visiting Dumfries House again this year for our annual summer outing. More Details to follow...

Hi, I am Elaine Wardrop, I have been a member at MPN for the last 27 years, I married Scott at MPN in July 1990 and I'm Mum to Kieran 23 years and Erin 20 years. I am a Childminder and have the privilege of looking after children in my own home. I am an elder at MPN and I have had the privilege of being actively involved in the life and work of our church over the years.

Currently, I am part of the AV Team, on the Worship Committee, help organise the Friendsheep Knitting Group and I'm part of the Messy Church Team. During the last few years I have also been involved in the Discovery process. This was a Tearfund initiative which we used here at MPN to help us look at our community more closely and our role as God's representatives in our neighbourhood. This whole process was challenging and took me way out of my comfort zone on many different occasions. However, it also opened my eyes, raised a passion in me for helping others and taught me many things about our community. It also taught me many things about what it really means to serve God.

Three important things I learned were that prayer is essential and very powerful! Also, when God is asking you to do something and you feel way out of your depth and inadequate for the task ahead, all God really wants you to do is take the first step and lay your trust in Him. He will reveal the path ahead when you start walking! Finally, the most important thing I learned is – everything starts with relationships! Our relationship with God, each other, our community and our world. Building relationships is essential! I am feeling very excited about Path of Renewal (I'm also feeling out of my comfort zone and quietly scared too!!!) However, I can't wait to see what our awesome God has in store for us here in Monkton and Prestwick North.

*I am **Scott Wardrop** and have been coming to MPN all my life. I have grown up within the Church here and have seen many changes. I think for me, things started to change when I started to go out with Elaine. She started coming along to the old Monkton Church Hall Evening Services as she worked a Sunday morning.*

This led to us getting married in the Church. I was already an Elder but I don't think I really knew what that meant but I was happy to help doing what I could within the Church. Our son was born and he had, as some of you know, a pretty hard start to life. I think from that point onwards I knew I could not get through the next few years if Church was not part of my life, I think it was at this point my faith started to grow.

I have been involved in two vacancy committees, head up the Worship Committee, am on the Church Officer rota, help out with Messy Church and I'm also involved with Christian Aid.

On Path of Renewal? I still don't know what my role will be but I am excited to be part of this and really looking forward to where this will lead the Church in the future.

* Thanks to Jacqui, Elaine and Scott. In the June edition of the Grapevine, three more people on the Path of Renewal will share their journey.

We are all on the path of renewal and if you feel you would like to share either your journey of faith or any 'steps' you feel the church could take, please contact David.

Would you and your children like to join us for a light meal? Would you like to take part in crafts and games based on a bible theme? Would you like to listen to stories and sing songs? Then come along to Messy Church in Monkton Church Hall on the 4th Sunday of each month from 4pm – 6pm. You can be sure of a warm welcome and lots of fun.

Crèche

Our church runs a Crèche for babies up to their 3rd birthday. For more details, contact:

Book Review

'Miss Garnet's Angel'
by
Salley Vickers

This is a novel set in Venice which tells the story of Julia Garnet who finds herself in the city after deciding she needs to get away following the death of a friend. She discovers the painting of Tobias and the Angel in a local church and as she learns more about the story of Tobias, she begins to question her own life. The author captures the spirit of Venice as Miss Garnet's adventure unfolds. Julia Garnet has led a sheltered life up till now but as she steps out into the unknown, the reader learns much about love, death and the growth of the human spirit. The novel is beautifully written and if you love Venice you will love this novel.

Norma's Shortbread Recipe

8ozs butter	8ozs plain flour
4ozs castor sugar	4ozs cornflour

Method: Put all ingredients together and mix, then knead as in bread. When it becomes a smooth ball, roll out into an oblong shape then pat into a Swiss roll tin (smoothing it out with a glass). Fork all over, making sure you go right through.
Bake at 180 degrees in fan assisted oven until just golden. Cut into fingers and sprinkle with castor sugar.

**It's the baking that is important. Over cook and it will burn. Undercook and it will not be short. My test is to cut one of the fingers and check if a line runs through the middle. If so, it is not ready so put it back in oven for a little longer. All ovens are different. Good luck.*

Why Fairtrade?

Fairtrade fortnight is from 27th February - 12th March and during that time there will be a Fairtrade stall at the Boys' Brigade coffee morning on the 4th March 10am-12noon. I recently gave a talk to the Brigaders at Girls' Brigade and encouraged them to set up a Fairtrade tuck shop, which has been successfully implemented.

I would like to thank everyone for their continued support for this very worthwhile cause. Giving producers a fair price for their produce can and does change lives.

Christian Aid 2017

I know it seems very early to be talking about Christian Aid Week 2017 but it is only a few weeks away from starting the Penny Jar collection for this year. So, remember to keep your empty jars and I will let you know when you can start collecting.

This year Christian Aid week starts with, as usual, the Fun Day on Saturday 13th May, then praise night on 14th May at St Nicholas Church followed by the door to door collections. We will be looking for some willing volunteers to help with this.

This year Margaret Ferguson and Mary Yuille have decided to stand down after many years of loyal service. I would like to thank them both for all the years of hard work and for keeping me right over the past three years! However, as the two ladies leave we are delighted to welcome Trish Archibald and Lorna Frazer to the team. I am confident that both will be a great asset to the Christian Aid committee. I know we are always being asked for donations but this is such a worthwhile cause, so please support Christian Aid in the work that they do both at home and abroad.

Scott Wardrop.

The Girls Brigade Worldwide is celebrating 124 years' mission and as we enter 2017 the desire for Girls' Brigade is not only for our leaders to 'BE EMPOWERED' but also for us to 'EMPOWER' the young people we work with through: providing constructive criticism, being non-judgemental and giving them the feeling they are loved. Empowering others not only makes the world a better place it also empowers us. We have had a varied programme this year and attendance has been excellent in all sections.

We are all looking forward to our next fund-raiser which is a fashion show held at **M&Co** in Ayr on the **23rd April 5.30pm to 8.00pm.**

Sunday 7th May is our closing service at 11am in church.

Display is Monday **8th May at 7pm.** All welcome.

Capt. Sue Christie.

An Interview with...

Our interview for this issue of the 'Grapevine' is with the noisiest person in our church, our wonderful organist **David Watson.**

Q. How long have you been coming to MPN?

A. I have been playing the organ here for 11 years but have previously played for many years in other churches.

Q. You are a Head Teacher of a primary school which I know can be quite stressful, what do you like to do to relax?

A. Music is the answer. I did think about a career in music but decided on teaching, which I love as this allowed me to keep music a pleasurable hobby rather than work.

Q. Do you have a favourite hymn?

A. That's quite difficult because there are a few that I really like, but if I do have to choose then I have two that are particular favourites. *'Be still for the presence of the Lord'* and *'Blessed Assurance'*. Hymns are not just about a good tune, it's the words that are the most important and singing "Praising my Saviour all the day long" is wonderful.

Q. If you could change just one thing in our church, what would it be?

A. I'm happy with the way things are, the only thing I could think of would be to see the congregation show their joy more when singing a happy song.

Q. What does being the Church Organist mean to you?

A. I feel very strongly God has given me a gift through music and that it is a privilege to use it.

Thank you David for taking part in the interview, it's been great to get to know you and keep making as much noise as you like!!!

**David has said that if any of the congregation would like a particular hymn that means something special to them, he would be happy to try and incorporate it into the service.*

A Poem for Easter

Holy Week Services

This Easter, services are being held at South Parish Church each evening at 8pm and will be taken by different local church leaders. There will also be a community event on Easter Saturday **15th April 2pm-4pm** at Boydfield Gardens which has been organised by Prestwick Council of Churches and will include music, stories and activities for families. MPN will have an early morning service at the Old Church, Main Street, Monkton at 9am on Easter Sunday which will be followed by breakfast in the Pioneer Café. The morning service will be, as usual, at 11am in Prestwick.

“Go in Joy.” What a wonderful theme the Guild have for this year and we certainly have a lot to be joyful about. We meet fortnightly on Thursday afternoons at 2pm. We come into a warm hall, have friendship, tea, a variety of speakers and fun. This is all wrapped up in a special time of worship and praise. Therefore, how can we be anything but joyful?

As we approach Easter the Guild have two dates which we would like to highlight. The first is on **Thursday 30th March at 2pm**, when Kingcase Praise Group will be our guest. The other date is **Thursday 13th April** when we will be celebrating Communion. This is a great opportunity for people who perhaps don't want to come out at night for the Holy Week services, but want to take part in Communion during this very special week. Everyone is welcome to come to any of our Guild meetings. Even if it is just the occasional one, you are very welcome.

Our Guild session comes to a close on **27th April** when we will be holding our AGM and Daffodil tea which is a lovely way to end our session.

The Annual Business meeting of the Ayr Guild council will be held on **Thursday 18th May at 7pm** in Ayr Auld Kirk when the speaker will be Rev Alistair Morrison, Presbytery Moderator.

Irene (Secretary).

A Guild Prayer

With grateful hearts we thank thee, O God, for thy many gifts to us and especially for our homes, the Guild and the fellowship of the church.

We pray that as we have freely received we may freely give and follow in the footsteps of our Lord and Saviour Jesus Christ.

Amen

Sponsored Cycle: The 1st Prestwick Boys' Brigade's charity for this year is Crossroads (South Ayrshire) Care Attendant Scheme. This charity was started 32 years ago by the Soroptimists' Club in Ayr. From small beginnings they have expanded and are now a major provider of support to Carers in South Ayrshire. They provide, free of charge, time off for people who care for a relative or friend at home. Their fully trained Care Attendants take over caring duties (regardless of age, disability or illness of the person being cared for) allowing the carer time for themselves to go shopping, attend appointments or socialise with friends. To raise money for this worthwhile cause, the boys and officers will be doing a sponsored cycle on **Sunday 2nd April**. The Anchor Boys will cycle as far as Craighend Road, Troon, the Junior & Company Sections will carry on to Barassie. We are looking forward to the challenge and are hoping for a dry day so we can take some photographs to show at our Display.

Display Night: We will be holding our annual display on **Friday 5th May** when our Inspecting Officer will be Mr Alan Hunter, Training & Development Officer for Scotland. The display allows the boys to demonstrate to their parents, friends and Church family all that they have done and achieved throughout the session. We warmly welcome everyone to come along. The Company will fall-in at 7.00p.m.

Drama Competition.

Company Evening

Pioneer Café

The café has had a few staff changes recently and as we say a sad but grateful farewell to Sandi we now welcome Elaine Manderson to the post. Elaine has recently moved to Monkton and began in the café as a volunteer.

Although we are still short of volunteers, we continue to open Mon, Tues and Wed from 10am till 3pm serving lunches, home-baking and snacks. Therefore, if you would like somewhere to meet up with your friends in a relaxed and friendly atmosphere, then the Pioneer Café is the place to be.

The café is also a great opportunity for volunteers who would like to meet others and gain light catering experience. This can be helpful with work prospects as we have had a number of volunteers who have moved on to employment. For details contact Mary Yuille: **01292 475680**

The Lunch Club

The lunch club meets at noon on the first Wednesday of the month in Prestwick and the 3rd Thursday of the month in Monkton. Come and enjoy a two course meal with tea or coffee for £3.50. Everybody of all ages welcome. Look forward to seeing you all. Janette Munro.

Proposed Car Pool

One of the targets from the ongoing Local Church Review is to establish a pool of drivers to bring members with mobility problems to church on Sunday mornings. We are aware that informal arrangements already exist but believe that there is scope for more volunteer drivers. If you are able to support this venture or know the names of any members who would be happy to use this service, please contact church office.

This year the Gathering is being led by members of the Path of Renewal group. This is a great opportunity to share in worship including some prayers and Bible verses that, as a group, we have been studying.

The Gathering is a time of fellowship and informal worship. We meet on the second Sunday of the month at 4pm for light refreshment and chat followed at 5pm by a time of praise and worship. If you can't make it for 4pm you are welcome to join us at 5pm for worship only. We usually finish just before 6pm.

If you would like to take part in any aspect of the worship (for example a prayer or Bible reading) please speak to any member on the Path of Renewal or David.

Discovery

We feel very blessed to work together with our friends from Sutherland House. It is a wonderful facility run by a fabulous team of volunteers who provide support for adults with learning difficulties. We continue to have fun together, building friendships and sharing skills through a variety of activities.

Coffee Buddies: We meet every 2nd Thursday in Sainsbury's Café (who always make us very welcome and go out of their way to accommodate our large group). We meet from 1.30pm-2.30pm to enjoy a cuppa, and more importantly, friendship. A very warm welcome awaits anyone who wishes to join us on **9th & 23rd March, 6th & 20th April, 4th & 18th May.**

If anyone would like more information or if you think you may like to become more involved, please contact Elaine Wardrop on **07526128194**

Malawi News...

It has been a while since I have reported about Malawi, a country we as a congregation hold close to our hearts.

Communications have been few and far between since Rev. Patings Gowa left and Rev. Kingsley Chirwa replaced him. I am pleased to say Christmas brought us both the gift of communication via my friend Benford and Andrews and with the use of WhatsApp!

We are now connected more than before and texts come and go regularly. We as a group donated money just after Christmas to our brothers and sisters in Lweya to purchase solar lamps and food for members within the congregation. They in return sent us love, prayers, peace and the joy on their faces as captured in the photo below.

We also donated money to buy food for Bandawe School for The Hearing Impaired and Bandawe Girls' School. Both were received with great thanks and best wishes. Malawi Presbytery are organising 'Presbytery's Got Talent' evening on 31st March 2017. I will issue more details in coming weeks. I am also putting on my running shoes again later in the year and hope to raise funds for our brothers, sisters and dear friends in Malawi.

Lesley McCarrell on behalf of MPN Malawi Committee.

Ladies' Day

On Saturday 4th February at Monkton we had the second of our Ladies' Days. The teaching for the day was on James 5. We were challenged to be content with what we have and not to concentrate on what we don't have. The theme of generosity was explored and we were asked to consider where Christ is asking each of us to be generous with our life. The speaker reminded us that in times of difficulty we need to stand on the word of God and pray constantly.

The focus of the day's teaching was very much in tune with what David has been encouraging us all to do as we consider the way ahead for our church. Thanks must go to Lesley and all the ladies who provided the delicious food, not forgetting Malcolm and Gavin who served behind the counter. This was a special day of fellowship and teaching. Roll on the next one!

The Friendsheep Group, who are of mixed age and ability, enjoy sharing a cuppa and friendship while sharing our skills.

Ayrshire Hospice is our chosen charity for this year and we hope to have a knitting stall during fellowship break in the hall on the 3rd Sunday of each month. We will be selling a variety of knitted goods, which can be made to order, and the proceeds will go to the charity at the end of the year.

The stall will also be an opportunity for you to find out more about our projects which are listed below:

- Supplying baby hats to Ayrshire Maternity Unit
- Making Twiddles for dementia patients (with New Life Church)
- Supplying knitted items at various charity events
- Knitting crosses & blankets
- Prayer Shawl
- Knitted hearts for Scottish Association for Children with Heart Disorders

We would be delighted to hear any feedback, ideas or requests. Please use our Friendsheep post box in the Session Room for orders.

Thank you for all your prayers and support.

If you would like more information, please contact: Catherine McCormick or Elaine Wardrop **07526128194**.

Quiz Night

The Pastoral Care Committee are hoping to hold another successful quiz night on **Thursday 30th March at 7pm.**

Tickets cost £10 for a team of 4 or £2.50 per person and this will include light refreshments.

So if you fancy a fun-filled evening where you can exercise your grey matter, then come along and bring your friends and family with you.

Tickets available from Sandi at Church Office or Jim Riach.

Just for fun!

Presently, I am trying to make friends outside of Facebook while applying the same Facebook principles.

Therefore, every day:

I go out on the street and tell the passers-by what I have eaten, how I feel, what I have done the night before, and what I will do tomorrow.

Then I give them pictures of my family, my dog, of me gardening and spending time in my pool.

I also listen to their conversation and I tell them I love them.

It works!

I already have 3 persons following me –

2 Police Officers and a Psychotherapist.

At MPN, we currently sponsor four children, with Young Church sponsoring one child and three individuals / families sponsoring a further three children between them. The sponsored child has access to a feeding programme which supports not only them but their families too. Sponsoring costs £18 per month.

I am the church contact person for 'Adopt A Child' at MPN. If you think you might be interested in sponsoring or if you would like more information, please contact me on **07526128194** or see me in church.

Elaine Wardrop

Do you, or anyone you know need prayer? The church has a prayer chain where requests for prayer are sent to a prayer team by email or text and prayer begins immediately. This is a great opportunity to serve others and see the power of God working.

Prayer requests will be handled with confidentiality. For requests, or if you wish to be part of the prayer team please contact: Tricia Harkness **07974690489** or Maureen McCreadie on **075613005**

'Our prayers may be awkward.

Our attempts may be feeble,

but since the power of prayer

is in the one who hears

and not in the one who says it,

our prayers do make a difference.'
